Topics:

Write Honestly and Openly from your heart in sharing comments/opinions,

- About Yourself and Life/Lifestyle
- What its like where you live? Is it city, country like, small town/village?
- What are the people like? Ethnic mixture ratio?
- You live in a house, condo, apartment?
- Your home living conditions & situation,
- You Single, Married or Divorced?
- Send a Photo of Yourself or, even photos of You with Group Friends or Family
- What Religious Faith are you, if any ?
- What you do to earn a living?
- Write about Your, Educational Background, Career Profession, Employment Background

* Please state if you're intending to be seriously committed to exchanging correspondence for the longer term.

Otherwise I will not answer your letters.

- There are far too many whom seems to not realize that there is a real person on this end. That I've no time for nonsense that does not help my situation. That I've gotten lots of letters promising compassionate moral supportiveness and all else.

- So I've then invested lot of personal time to write replies.

Then I never hear back from them ever again!

- So you tell me (write) what you want or would like?

* Personally, I wished that it could be a woman closer in distance.

That perhaps after we gotten know each better can at visits talk face to face.

- This my honest Hopes & Prayers; to someday meet a befitting for me young woman friend for longterm relationship.

*Humor and Reality, that it may not happen from any prisoner's Penpal website...
