where after all The sexual Tension is build up, and Straight Inmates mentality has now become Fucked up. where The Straight becomes Sexually Aggressive, where The Straight Pull They Penis out of they're pants and masterbate in front of Female Officers and nurses, where The Straight Inmates pull They're Penis out and masterbate in front of Their female Public Defenders. (A.K.A. Prisondeliverers) And The officials and media and Newspapers call This behavior a phenominom. NO! This The Enforcement of homosexuality on The Straight. The Officials That you elect, TO Keep The Wonderful World of Fucked up Individuals in prison, Fucked up!! And you wonder why Prison is Over Crowded? You Cant put Every Inmate in a Single Cell by Themselves, SO NOW The Sexual Aggressive Inmate stops masterbating and wants The feeling of flesh from The booty/anus of a men, his Cellmate starts Looking like a female TO him, And before you blink, his dick is arrested for Rape on a Inmate, so what happens TO The Rape Survivor, he becomes Mentally Fucked up with NO Treatment, he becomes unstable and Just might Accept The feeling of being helpless, and allow himself to become deeper in homosexuality, and start having a Identity Crisis, and think himself a Women, and this is all due TO In part From your I.D.O.C Enforcement of homosexuality where subconsciously I.D.O.C Enforce Rape on Men on Men, The Evidence is there in front of you, so why has'nt anyone did anything About This? becuase This is the Wonderful World of a fucked up Individual in Prison. If you are reading This, then you are a Fucked up Individual, and if you're not Fucked up, Then by The End of reading This Spoken Word poem, you will be. All Individuals are Welcome, where No-one is denied into

The Wonderful World of a Fucked up Individual in Prison. Welcome!!!

Where only in Illinois 90% percent of INMATES are Mentally Ill/disturbed with ~~the~~ Excessive long Sentences! In Pontiac Correctional Center (Max Prison)

has The second largest population of Mentally Ill Inmates, where only in Pontiac - Segregation. A.K.A The hole and Mental health housing unit's Recreation/Yard, are in Dog Kettle like Cages, where Inmates are in a Single Dog Kettle like Small Inhumane Cage ~~is~~ a one person cage.

where The mind becomes mentally disturbed by The All ready Mentally Insane Lost Inmates, How? Why?, let me Describe This for you on How.

Over The Decades/years, A normal minded Inmate are Introduced TO These Seg Cages with The Mentally Insane, what makes Them Insane?

Inmates are in these cages for hours 3 The most, with NO Toilet, NO Water, and are smack Talking/wolfing at each other. can't get to one another, calling each other Bitches and Faggots,

Clapping Their hand after every sentence, what They call "Playing Pontiac!" So when They are in The Cages The Insane pulls his seg jumpsuit down/pants down, and (Shit/Take a dump/Feces) in his hands and puts it either in his mouth and (spit/spray)

(Feces/Shit) unto The person and hitting The Innocent by stander in the middle of his Intended target. or will Throw (Feces/Shit) on The person, or will put a milk carton up Their (anus/asshole) pull it out, put piss in The carton, and Throw that on a Officer or Inmate

Welcome to the Wonderful World of being fucked up,
True That!! NO Lie! Only in Pontiac The only Prison where
Inmates Throw (Feces/shit), (urine/piss) on Inmates and
Officers, Where The normal minded quickly become Mentally Insane /
Disturbed. Where The normal minded learns The I.D.O.C. —
— Illinois Department of Incorrections policies of being
Mentally disturbed, Where what makes sense is Incorrect,
Where The Incorrect makes sense, and is The ~~only~~ prison life way.
For Example if you Calmly ask for medical due to having Pains
The Officer lie to you saying They will call somebody, only for hours
to pass, and you been Lied to by The C/O. (But This is suppose to Be
The Correct way of Asking) which is Incorrect. But when you
Cuss (The Officer/C/O) out and say and do Ill minded things, like
Cut your wrist, Then They quick to give you medical help. Where
a normal mind knows That this type of behavior is Incorrect but
in The Wonderful World of a Fucked up Individual in prison, This is
The correct way to behavior in Illinois Department of Incorrections.
I.D.O.C.! Social Security (S.S.I.) is gonna be billions of dollars
in dept when The Elected Officials finally heal the broken minded,
and get Tired of Inmates comming from the Wonderful World of
being Fucked up, Re-offending and Over populating prison
and (Fucking up/destroying) Society. But untill somebody does do
something, Welcome to the Wonderful World of a Fucked up Individual in prison!!
where nothing makes sense, And the Everyday life is truly fucked up, because
